Induction

February 28, 2023

Since November 2021, Carla Decker is Chief Operating Officer of IDB Global Federal Credit Union - a \$700+ million, not-for-profit, financial service cooperative owned by over 10,000 members of the Inter-American Development Bank (IDB) and Inter-American Investment Corporation (IDB Invest). Residing on six continents and over 75 countries, the members (who form the IDB Community) seek to promote peace and reduce poverty in Latin America and the Caribbean through economic and social development.

For the previous two decades, Carla served as President & Chief Executive Officer of DC Federal Credit Union. Under her leadership, the \$80 million DC Credit Union expanded its service area and refocused its mission to become a national leader in financial inclusion and community development. Carla's immigrant experience informed and energized DC Credit Union's initiatives to address and advocate for the financial well-being of the local Hispanic community. For that work, Carla was named one of the 100 Most Influential People to the Hispanic Community by "El Tiempo Latino".

Carla is Chair of the Board of the National Cooperative Business Association (NCBA/CLUSA). She represents NCBA/CLUSA, and the U.S. cooperative movement, to Cooperatives of the Americas, the regional body of the International Cooperative Alliance.

She holds a master's degree in International Commerce and Policy from George Mason University in Virginia.
